

SOLARPARK - NOVEMBER / ROMANIA

10/2013

Blue Planet sold Solarpark

The project is located in Romania, next to the City Nadlac in the west part of the country near Arad. Blue Planet started its development in 2011. The solar park will be connected to the local 20kV line. The used land is owned by the project company NOVEMBER SUN SRL. The construction has been started and shall be completed by 2015.
